Suspension of the payment deadline (Article 47 GA)

Dear Madam/Sir,

With reference to the periodic reports related to the above mentioned request for payment, I would like to inform you that the Agency will **suspend** the **payment deadline** because the periodic report has to be revised as outlined below.

The following additional/corrected information is required for the **financial report**:

- for UNIVERSITY OSLO:
Please specify when and where was the research travel for Arnd Schneider.
Please explain Leone Contini costs for services rendered.
Please specify the single items corresponding to the fee and add the names of the Ethnographers.
- for Hosman Durabil:
Please justify the change from personnel costs to Other direct costs for Alexandra Toma, Razvan Anton, Julie Dawson and Anda Reuben and clarify which kind of contract agreement has been established with these people.
- for NHM:
Please clarify which kind of contract agreement has been established with Maria Teschler-Nicola.

Please (re)submit the updated reports/requested information via your [Participant Portal account](#) — within **15 days** from receiving this letter.

Suspension will be lifted (and the remaining payment period will continue to run again) once all issues have been resolved.

If the suspension exceeds two months, you may request the Agency if it will continue.

For any questions, please contact the project officer via the [same account](#).

Yours faithfully,

Hinano SPREAFICO
